DESCRIPTION

2021 GMC Acadia AWD Denali | 80K KM | One Owner | Luxury SUV | Low Mileage for sale

Some vehicles are named after places. Some are named after mountains. And then there is the 2021 GMC Acadia Denali, named after the tallest peak in North America, a place of glaciers, snow, ice, brutal weather and the sort of temperatures that make Canadians feel strangely at home. There is just one problem. This Denali has never seen snow. While its namesake was busy sitting dramatically above Alaska, this particular Acadia was spending its winters in the sunny southern United States, avoiding snow, salt and the general misery that Canadian winter likes to distribute freely. Honestly, we respect the strategy. And now it is here, looking absolutely fantastic and bringing 80,000 km of low mileage and a one owner history with it. This is the Denali trim, which means GMC took an already capable SUV and decided subtlety was overrated. There is more presence, more luxury and considerab...
