DESCRIPTION

2021 Hyundai Kona Electric Ultimate - \$328 B/W

Navigation, Sunroof, Heads Up Display, Heated Seats, Heated Steering Wheel! This ground-breaking SUV combines bold style and features with a very impressive electric driving range. This 2021 Kona Electric is a perky subcompact SUV that offers incredible range! The Kona Electric's cabin is much the same as the one found inside its gas-powered counterpart and is made from quality materials, is comfortable to drive, and rich with features. Visually, you can tell the electric version from the gas twin by the lack of a grill and slightly different wheels. Inside, you will also get a unique instrument panel with a large infotainment screen atop the centre stack. This galactic grey SUV has a cvt transmission. Our Kona Electric's trim level is Ultimate. This Kona Electric Ultimate is the highest trim level you can get and comes with a 65kWh lithium-ion polymer high-voltage...
